

# ACP Medicine Tracker

Use this sheet to keep track of the medicines you take for heart failure and other conditions. Include any daily vitamins or supplements you take as well. Take it with you to every doctor's appointment.

Name of Medication	Dosage	Size, Shape, & Color	How Much	When to Take It/ How to Use	What I Use It For	Start/Stop Date	Notes
Lisinopril	5mg	small, oval, pink color	1 pill	Take by mouth, every morning	Heart Failure	1/25/18-	Call if tongue swells or dry hacking cough
